The Criminal Justice Academy, located at Kathleen High School, is seeking motivated students who are interested in pursuing careers in courts, corrections, law enforcement, emergency management, forensic science and juvenile justice.

Classes are taught by certified law and criminal justice professionals. Classes feature hands-on training, field trips and internships at local criminal justice and law facilities. Additionally, students will have the opportunity for studies in pre-law and will have the opportunity to participate in mock trials and Teen Court.

Earn College Credit

Students who graduate from the program with a 3.0 average in their criminal justice courses may receive up to twelve hours of credit to Polk State College.

Additionally, students may qualify for the Gold Seal Scholarship which may pay a significant percentage of tuition and fees to Florida public colleges and universities.

Polk County Sheriff

"The Criminal Justice, Law, and Career Academy at Kathleen High School helps prepare our youth for such rewarding careers. Whether your child is interested in becoming a law enforcement officer or a lawyer, the structure and guidance they will receive in this environment will prepare them for the "working world" and for a college education.

The Polk County Sheriff's Office considers it a privilege to partner with the Academy. I recommend you strongly consider allowing your child to participate in this worthwhile program."

Former Police Chief

"We at the Lakeland Police Department have seen the success of the Academy's mission, to give high school students an understanding of the American legal and criminal justice systems, first hand. Students in this program learn that knowledge plus hard work equals success, and shows them how to make a change for success today!

The Academy is *THE* place to develop students into well-qualified, academically sound young people, who understand the importance of good character and ethics. These qualities, coupled with scenario-based training, will produce excellent candidates ready to enter the workforce and to continue their post-secondary education."
