POLK MEDICAL ACADEMIES

Lake Gibson High School

The medical field is among the fastest growing industries today. Registered Nurses are among the top five largest occupations in the nation.

Lake Gibson High School's Academy of Health is a multi-year program designed to prepare students for entry level medical careers. Upon graduation, students will have the necessary skills and certifications for employment or continued education in the healthcare industry.

Students in Lake Gibson High School's Academy of Health will be prepared for an exciting future as a healthcare professional. Through classwork and hands-on experience, students gain knowledge in anatomy, medical terminology, disease processes and much more. This program emphasizes basic patient care as well as front office, therapy and electrocardiography skills.

Joining Lake Gibson High School's Academy of Health is a great start to a promising future in the health-care industry.
